In the event that any work created by Contractor does not qualify as a work for hire, Contractor agrees to assign its right, title and interest in and to the work to WAURISA.

6.3. Title to Works, Trademarks, and Inventions Produced. It is understood and agreed that the entire right, title, and interest throughout the world in and to all works, trademarks, and/or inventions that are conceived of or produced, whether or not reduced to practice, by Contractor, either solely or jointly with others, in connection with or as related to the performance of this Agreement, shall be and hereby are vested and assigned by Contractor to WAURISA. Such indemnity shall apply to the fullest extent permitted by applicable law. Contractor's obligations under this Section 7 shall survive the expiration or termination of this Agreement unless specifically waived in writing by WAURISA after such expiration or termination.

8. Independent Contractor Status. The relationship of Contractor to WAURISA is that of an independent contractor, and nothing in this Agreement shall be construed as creating any other relationship. Contractor shall comply with all laws
