**2. Period for Performance.** The period for performance of the Work shall commence on \_\_\_\_\_, 2022, and shall conclude on June 15, 2022 unless (a) an extension is requested for a one month period or (b) this Agreement is earlier terminated pursuant to Section 10. Contractor shall promptly inform WAGISA in writing of any actual or potential delay in the timely performance of the Work, and the reason(s) for such a delay.

### **3. Compensation.**

**6.2. Work Made for Hire.** During the performance of this Agreement, Contractor may create certain works for WAGISA that may be copyrighted under United

States law. To the extent that any such works are created, Contractor will be considered to have created a work made for hire as defined in 17 USC §§ 101 et seq. and WAGISA shall have the sole right to the copyright. In the event that any work created by Contractor does not qualify as a work for hire, Contractor agrees to assign its right, title and interest in and to the work to WAGISA.

**6.3. Title to Works, Trademarks, and Inventions Produced.** It is understood and agreed that the entire right, title, and interest throughout the world in and to all works, trademarks, and/or inventions that are conceived of or produced, whether or not reduced to practice, by Contractor, either solely or jointly with others, in connection with or as related to the performance of this Agreement, shall be and hereby are vested and assigned by Contractor to WAGISA. Such indemnity shall apply to the fullest extent permitted by applicable law. Contractor's obligations under this Section 7 shall survive the expiration or termination of this Agreement unless specifically waived in writing by WAGISA after such expiration or termination.

**8. Independent Contractor Status.** The relationship of Contractor to WAGISA is that of an independent contractor, and nothing in this Agreement shall be construed as creating any other relationship. Contractor shall comply with all laws and assume all risks incident to its status as an independent contractor. Contractor covenants and agrees to pay all applicable federal, state and local income taxes, associated payroll and business taxes, licenses and fees, and such insurance as is necessary for Contractor's protection in connection with Work performed under this Agreement; no such taxes or fees shall be withheld or paid by WAGISA on behalf of Contractor. Contractor acknowledges and agrees that it is responsible for

paying, according to applicable law, Contractor's income taxes, if any. Contractor further acknowledges and agrees that it may be liable for self-employment (social security) tax, to be paid by Contractor according to applicable law. **10.1 Transfer of and Payment for Completed Deliverables and Materials.** In the event of a termination of this Agreement as provided in this Section 10, WAGISA may require Contractor to transfer and deliver to WAGISA, in the manner directed by WAGISA, (a) any completed deliverables, works and research materials (collectively, "Completed Deliverables"), and (b) such partially completed deliverables, works, research materials, and information (collectively, the "Materials") as Contractor has produced or acquired for the performance of this Agreement. Payment for Completed Deliverables delivered to and accepted by WAGISA shall be at the price specified in this Agreement. Payment for Materials delivered to and accepted by WAGISA that are necessary or convenient to the protection and preservation of property shall be at a price designed to reimburse Contractor for the reasonable value of the Work performed without profit. WAGISA may withhold monies otherwise due to Contractor for Completed Deliverables and/or Materials in such amounts as WAGISA determines necessary to protect WAGISA against loss due to outstanding liens or claims against the same. The provisions of this Section 10.1 shall survive the termination of this Agreement.

**11. Conflict of Interest.** Contractor represents and warrants that it has no business, professional, personal, or other interest, including, but not limited to, the representation of other clients, that would conflict with the performance of its obligations under this Agreement. If any such actual or potential conflict of

interest arises, Contractor shall immediately inform WAGISA in writing. If, in the reasonable judgment of WAGISA, such conflict poses a material conflict with the performance of Contractor's obligations hereunder, WAGISA may terminate the Agreement immediately on written notice to Contractor; such termination shall be effective on receipt of such notice by Contractor.

12. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements relating to the subject matter hereof.

14. **Amendments; Waivers.** This Agreement may only be modified in writing, signed by the parties in interest at the time of such modification. No waiver by either party of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by WAGISA or Contractor of the same or any other provision. Either party's consent to, or approval of, any act shall not be deemed to render unnecessary the obtaining of such party's consent to or approval of any subsequent act.

15. **Insurance.** Each party represents and warrants it shall carry adequate (minimum of \$1,000,000) liability and other insurance protecting itself against any claims arising from its performance under this Agreement. ## Attachment A: SCOPE OF WORK (SOW)

Support Services from \_\_\_\_\_ through \_\_\_\_\_ for the Washington State Geographic Information Systems Association (WAGISA) annual conference planning.

WAGISA's annual Washington GIS Conference (conference) is a well-established annual event attended by an average of 300 professionals and students in the geospatial industry. The conference enjoys a highly-engaged audience and features quality workshops, speakers, presentations, demonstrations, and networking activities. For most attendees, the conference represents their one yearly opportunity for education and networking. Attendees genuinely look forward to this conference!

Even with Covid-19 forcing us to cancel one conference and have the last one and this one remotely, attendance has fallen only moderately and engagement is high. The conference committee works diligently to ensure all attendees enjoy a dynamic and thought-provoking event that has a positive impact for their work, while having fun connecting with colleagues and meeting new ones.

The conference coordinator's role is to follow the SOW noted below and to assist WAGISA volunteers in the completion of functions required to execute the organization's annual conference and workshops. The conference in 2022 will be done remotely, which creates some changes in scope. The primary role of the conference coordinator is to work with all of the conference subcommittee leads and the Board Conference Liaison to facilitate collaborative decisions and the logistics of the event. The assistance provided by the conference coordinator does not mean assumption of duties as assigned to the volunteer conference committee positions if the committee volunteers are not able to perform said functions. If this occurs the Board Conference Liaison will work with the WAGISA Board to find additional volunteers to complete functions as needed. If any decisions are deemed to require a WAGISA Board decision, the Board Conference Liaison will bring forward a recommendation to the Board for approval. These decisions would include matters that affect financial, membership, or functional changes to the conference.

### Organization Structure
